SUMMARY

Motivated and detail-oriented GoHighLevel Virtual Assistant with a strong background in CRM management, workflow automation, administrative support, and business process optimization. Skilled in building organized systems, managing client data, and streamlining operations using modern digital tools. Backed by experience in web and system development, bringing strong technical problem-solving skills and the ability to quickly learn new platforms. Passionate about helping businesses improve productivity, customer communication, and operational efficiency.

PROJECTS AND WORK EXPERIENCE

GoHighLevel Fitness Coaching CRM (Portfolio Project)

Jan 2026 - Feb 2026

- Built a complete CRM system for an online fitness coaching business using GoHighLevel.
- Created lead capture funnels, landing pages, calendars, and client onboarding forms.
- Configured automated email and SMS follow-up workflows for lead nurturing and appointment reminders.
- Organized sales pipelines, contact management, custom fields, and opportunity tracking to improve client management.

GoHighLevel Dental Clinic CRM (Portfolio Project)

Feb 2026 - Mar 2026

- Developed a patient appointment and lead management system using GoHighLevel.
- Built booking calendars, intake forms, and automated reminder workflows.
- Designed sales pipelines to manage new patient inquiries and follow-up campaigns.
- Configured review request automations and contact organization to improve patient engagement.

Information Technology Intern | Local Civil Registrar (LCR) Office

Jan 2026 - Apr 2026

- Performed accurate data entry and maintained organized digital records for administrative operations.
- Assisted in database management and document organization to improve office efficiency.
- Developed the LCR Management System with an AI-assisted autofill feature to reduce repetitive data entry and improve accuracy.
- Collaborated with office personnel to streamline administrative workflows and provide technical support.

EDUCATION

Bachelorof Science in Information Technology
Aug 2021 - June 2026
